Plans for the construction of a new office building in Morris by the Federal Land Bank Association of Morris were announced yesterday by Warren R. Luebecke, manager. Site of the new building will be a 75-foot frontage area adjoining Dean-Jones Supply Co., Inc. on Atlantic avenue, near First Street. The Federal Land Bank has purchased the site from Delmar Rentz. A residence now on the site was sold by Mr. Rentz to Ray Stoner, who plans to move it to a location on Pacific Avenue. Detailed plans for the new building have not yet been completed but it is expected that the structure will be approximately 30 feet by 40 feet.

State highway patrolman William Griffith of Mizpah has been assigned to the Morris station of the highway patrol. He succeeds Rollin Erickson, who was recently transferred to New Brighton, and will officially begin his work here today. Officer Griffith is a new member of the highway patrol. Prior to coming to Morris he was stationed at New Brighton for five weeks. Mrs. Griffith and the couple's five children will come to Morris when the family has secured housing accommodations.
